## Welcome Back to the Lake!

Glad to see so many of you at our annual meeting held May 23. It's evident by all the smiles that we're happy to be back at the lake for another summer!

As the weather gets warmer and we're on the lake more often, we need to remember to be cautious in protecting our precious loons. It appears mom is busy on her nest!

Here is a brief update and request from the annual meeting.

We are looking for a few people to serve on a Nominating Committee for the next election of board members in 2016. We need to elect two new people since we are reducing the board to five members in 2016, a reduction agreed upon at the annual meeting.

Please contact **Bob Maas** or any board member if you would be willing to be on the Nominating Committee or serve on the board yourself. It's a great way to contribute to our lake life!

### OUR MISSION:

The Kimble Lake Homeowners Association is organized to encourage wise use and preservation of Kimble Lake to maintain the ecological balance that must exist between the lake and adjacent shore land. The association will work to keep this lake and its surrounding watershed in good condition. Further, the association will consider, recommend and endeavor, through responsible means, to bring about appropriate action by agencies of government and private individuals to realize effective management and preservation of the valuable resources of Kimble Lake and its adjacent shore land.
