## Spring Greetings!

We sincerely hope your winter has gone well and you are getting excited about the upcoming summer on beautiful Kimble Lake. We too are looking forward to a relaxing, fun-filled summer. You never know what the Social Committee has planned to provide great activities that seem to bring everyone together, making Kimble Lake a unique place to live.

Just a quick reminder that our [Kimble Lake Homeowners Association](#) annual meeting will take place Saturday, May 28 at 9 a.m. in the [Ideal Township Community Center](#). Be sure to attend to find out what is happening throughout the summer and how we're going to help keep our lake clean and free of invasive species. You'll especially want to hear our speaker, [Mary Koep](#), a local resident and fishing guide for many years. I'm sure he will have numerous stories and insights regarding the history and changes to the lakes region.

Thank you again for your continued support and involvement in the Kimble Lake Homeowners Association.

Sincerely,  
Bob Maas, President
