Ice-Out Party Launches 2017 Lake Season

Thanks to **Jeff and Sally Baumgartner** for hosting this year's ice-out party on April 8. By the looks on their faces, everyone enjoyed the get-together!

Norway Ridge Supper Club Reopens

About 30 people gathered last fall to thank sisters **Jackie Clark and Alicia Elson** for their 35 years of service as owners of the Norway Ridge Supper Club. Since then, a new set of buyers have purchased and reopened the supper club.

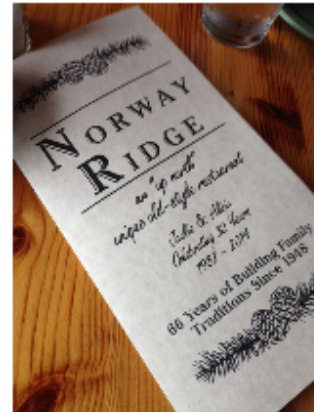

New owners **Paul and Lori Sugimura** opened Norway Ridge **April 20**. Paul had been a customer there for more than 25 years, appreciating its charm and history. When he and Lori married 16 years ago, she became a fan as well.

After Paul sold his business, the couple was seeking a new adventure when they learned the club was for sale. With a "soft spot" for the restaurant business and appreciation of supper club nostalgia, they bought the business and sold their Maple Grove home.

Jackie and Alicia, the second set of sisters to own Norway Ridge, are working with the Sugimuras for the first few weeks to ensure a smooth transition. Paul and Lori's 24-year-old son Grant recently graduated from college and will help run the business.

Norway Ridge is open Thursday-Saturday. Beginning Mothers Day on **May 1**, the club will also be open on **Sunday**. For reservations call 218-543-6136.

Welcome, Sugimuras, to the Kimble Lake community!

Letter to Crow Wing County

In case you missed it ...

Tony Coffey emailed a copy of the letter sent by area lake associations to the Crow Wing County Commissioners regarding the proposed county AIS plan. Thanks to those who spent many hours creating this letter that will hopefully spur action that benefits everyone.

OUR MISSION:

The Kimble Lake Homeowners Association is organized to encourage wise use and preservation of Kimble Lake to maintain the ecological balance that must exist between the lake and adjacent shore land. The association will work to keep this lake and its surrounding watershed in good condition. Further, the association will consider, recommend and endeavor, through responsible means, to bring about appropriate action by agencies of government and private individuals to realize effective management and preservation of the valuable resources of Kimble Lake and its adjacent shore land.
