## Donations to KLHA in Honor of Steve Erickson

Several donors contributed a total of \$750 to the KLHA Lake Improvement fund in memory of Steve Erickson, our long-time lake resident who passed away this summer. The Lake Improvement Fund is used to fund access monitoring and other initiatives for aquatic invasive species prevention that Steve played an integral part in over the years. Thank you to the donors. We all miss Steve's presence.

## Lake Equipment Inspection and Zebra Mussels

It is that time of year when people are taking their watercraft, docks lifts, lake pump water intake filters, etc. out for the winter. In the last few years, we have asked you to report zebra mussel findings but there is no need this year to report as we expect almost everyone to find them on equipment. However, a good habit to develop is to scrape any you find off your equipment before it is installed next spring to avoid the build up of layers of this invasive species which can interfere with equipment operation in future years.

## July and August Kimble Coffees

Approximately 60 people attended these coffees hosted by Richard & Sally Bredehoff, Val & Maureen Usle and Bob & Kathy Emerton. Unfortunately we do not have any pictures to share but from all accounts, people attending enjoyed good coffee, refreshments and conversation with their neighbors. Thanks to our hosts for opening their houses for these opportunities to catch up with friends and neighbor.

## Pizza Time

Ed and Susan Sisola hosted an Italian night party serving delicious brick oven pizza and appetizers to around 60 lake residents and friends. The Sisola's extended family came up for the weekend to help with preparations and the cooking.

## Mexican Fiesta

The Rows and Knutsons hosted the 10th annual Mexican Fiesta in mid August. This is always one of the best attended events and this year was no exception with over 90 people attending. The food was delicious as always and the conversation was even better.

## Weddings At The Lake - One Down and One To Go

**Joe Groebner and Debbie French** hosted the wedding of their son Dan and his bride Paige at their lake home on [September 7](#). You may recall they dropped off a card at each lake home a few weeks ago to give lake residents a heads up to the heavier than normal traffic / parking and the late music. The weather cleared up just in time for the wedding and reception to stay dry although it was a bit chilly. As Joe and Debbie hoped, many people enjoyed the music & fireworks from their boats & campfires and commented that the yard was beautiful with the trees and yard all lit up. Thank you, Joe and Debbie, for being a good neighbor and letting the homeowners know in advance.

Joe and Debbie want to thank everyone for being so gracious and understanding with the wedding. Debbie says "it truly was an amazing night for us and the kids!" A few pictures from Debbie are below.

**Jerry and Sheila Cassidy** will be hosting their Son Nathan's wedding to his beautiful bride Sydney on [October 19, 2019](#) at their cabin. There will be a DJ and reception at their residence. They wanted to let people know there will be people parking on County Road 39 and the noise level will be a little louder on the lake that night. Thank you in advance for your understanding.

If you plan to have an event with a large crowd and late night, you can always contact the newsletter editor who can send out a note to the lake to let them know of your upcoming event.

## Social Committee Update

THANK YOU to all of the 2019 Kimble event hosts! Your time and efforts were SO appreciated to help make this another memorable year on Kimble Lake!

The Committee is starting to look at 2020 activities and are looking for hosts and event planners. Several people have mentioned they would like to see events specifically for the lake youth and young adults. If you are interested in hosting an event please reach out to Jean, Kathy or Karen (contact info is at the end of this newsletter).

## Kimble Market Place

Several years ago, there was a section in the newsletter for people to let others around the lake know if they had something to sell, trade, give away or if they were looking for something. We will add this back to the newsletter. If you have something, please send a short description and your contact info to Dave at [dbrys59@gmail.com](mailto:dbrys59@gmail.com). Items will be listed in the next regularly scheduled newsletter.

To get started....

Older aluminum canoe available as it is just taking up space. If interested please contact Dave at 602-639-1951.

### OUR MISSION:

The Kimble Lake Homeowners Association is organized to encourage wise use and preservation of Kimble Lake to maintain the ecological balance that must exist between the lake and adjacent shore land. The association will work to keep this lake and its surrounding watershed in good condition. Further, the association will consider, recommend and endeavor, through responsible means, to bring about appropriate action by agencies of government and private individuals to realize effective management and preservation of the valuable resources of Kimble Lake and its adjacent shore land.
